AutoDesk License Agreement

This Software is provided to you under an agreement between The Ohio State University and Autodesk, Inc. The agreement provides Autocad, 3D Studio Max, AutoDesk VIZ, Architectural Studio, Inventor and other products at a substantially reduced price.

Under the terms of this agreement, current faculty and staff may annually purchase the right to use this software while they are associated with the university. This license is nontransferable. When you are no longer a current faculty or staff member, you must return this software to your department or The Office of Information Technology.

This software is for use on the Ohio State University main and regional campuses only. The software may be used only for educational instruction, administration or facilities management. For each right-to-use copy purchased, the software may be installed on a single computer.

The undersigned is authorized to install the number of copies of Autocad noted below for use on the following platform:

___ PC/Windows (Enter the number of purchased copies)

You agree to the use terms below, and if authorized to install multiple copies, you must advise anyone who is using or receiving any of those copies that they are prohibited from distributing, transferring, modifying, decompiling, reverse engineering, creating a derivative work or making copies of the software, and you must supply them with this agreement. This software may not be used outside the USA. You must assure that their signed End User Agreement is returned to IT Service Desk in 025 Central Classroom Building.

This software is protected by both United States copyright laws and international treaty provisions. Each installed copy of the program is registered with The Office of Information Technology as a function of your signing this form. Archival copies of this software may be made for the sole purpose of backing up your software.

By signing, I agree to honor this user license agreement.

_____

By signing and completing this agreement, I agree to honor the user license agreement on the reverse side.
